

European day of languages

The European day of languages is celebrated on September 26th. It was established by the Council of Europe in 2001 with the aim of raising the awareness of the language diversity of Europe and encouraging people to learn foreign languages. The pupils in our school have celebrated this day with various activities during their lessons of the English, Italian, German and French language.

Activities:

1. Quiz about European languages
2. Interactive game „Talk to me“ on the Internet site www.coe.int/jel,
3. Finding the country where the languages of the popular stickers are spoken
4. Drawing the flags of the European countries
5. Drawing the logo of the European day of languages
6. Making posters with stickers in different languages
7. Exhibition and presentation in the school hall
